

Demarche Publishing LLC is looking for manuscripts with multiethnic or multicultural themes primarily for middle grade and young adult readers. We do not publish poetry or picture books.

## **FICTION SUBMISSION GUIDELINES**

We prefer electronic submissions of manuscripts. Electronic submissions must include a cover letter in the body of the email and the full manuscript in the form of an email attachment. The attachment must be as an RTF file (Rich Text Format). No other document format will be accepted. Do not submit your manuscript in the body of the email.

The cover email should include your name, full address, telephone number, email address, a brief bio and a synopsis of your work. Always include publishing credits, if any.

The attached RTF file must look like a normal manuscript when printed with at least 1-inch margins on all four sides. (Refer to the snail mail submission details below). Your name, address and current email address must be on the first page of the attached RTF file. If missing, the manuscript will be rejected.

Both the cover eletter and the manuscript must be submitted on 8.5" x 11" formatted white paper with at least 1-inch margins on all four sides. Manuscripts must be double-spaced, printed single-side only and must be printed in black ink. The first page of the manuscripts must include the author's name, postal address and email address on the top left corner of the first page. Title and author's byline should appear about halfway down the first page. All subsequent pages must include the author's last name and the manuscript title on the top left corner. The approximate number of words must appear in the top right corner of the first page.

**Manuscripts not conforming to the above submission format will be rejected.**

Manuscripts should be sent to:
